

## FOR IMMEDIATE RELEASE # 69

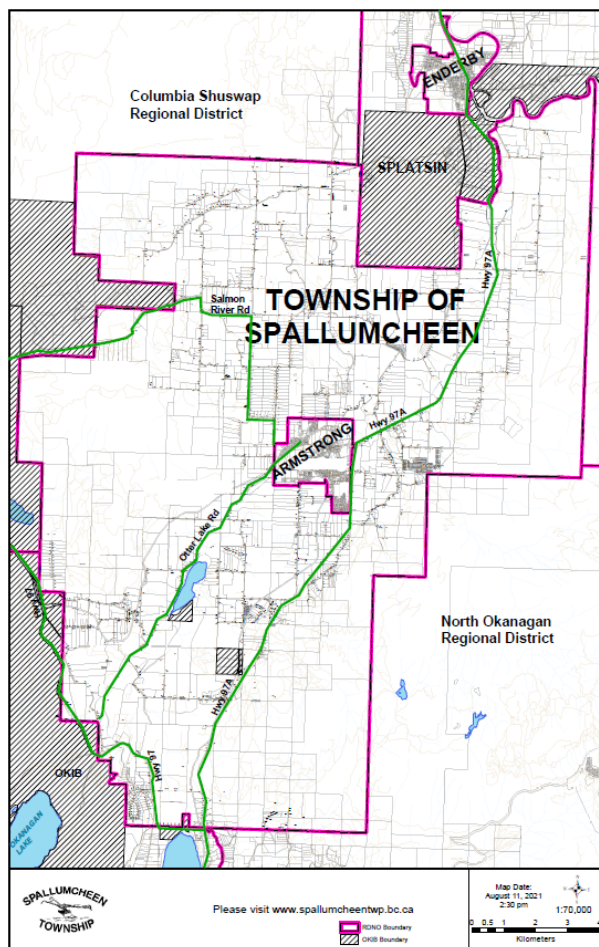

### WHITE ROCK LAKE FIRE – WILDFIRE UPDATE

Thursday, September 2, 2021 – 16:00 Hours  
Spallumcheen, BC

## EVACUATION ALERT LIFTED

### LOCAL WILDFIRE – WHITE ROCK LAKE WILDFIRE (K61884)

Based on the recommendations of BC Wildfire the Township of Spallumcheen lifted the evacuation alert that was previously in place within the municipality on September 1, 2021 at 15:15 hrs.

The Emergency Operation Centre for the Township remains operational from 08:30-16:30 and continues to work with BC Wildfire and our local fire department to assess the situation.

BC Wildfire is reporting that no further growth was observed on the fire yesterday. Crews on the NE flank of the fire are focused on mop up and patrol activities.

The best location to find updated information for Spallumcheen residents is the [Township of Spallumcheen website](#) and the [BC Wildfire](#) website.

Please check [Environment Canada's website](#) for current air quality risk levels in the North Okanagan.

**The next scheduled update for the Township of Spallumcheen is on Friday, September 3, 2021 at 12:00 hrs.**
