

Emergency Social Services (ESS)

During an emergency event, ESS may be offered to an evacuee for a short period of time.

There are eligibility requirements for emergency support services. Homeowner or tenant insurance may provide greater support than the ESS program. Check with your insurer to determine what may be available to you.

Supports provided to those eligible are determined by a case-by-case basis.

- Primary services may include
 - temporary lodging,
 - food,
 - clothing, and
 - incidentals (such as toiletries)

ESS teams consist of volunteers ready to be deployed to an emergency event when called upon. If you are interested in volunteering contact the Township for more information about how to do this locally and available training opportunities.
